SEEKING GRADUATES

Azusa High School is looking for former graduates!

AHS with the aid of Harris Connect will spend the next year trying to locate graduates from the Classes of 1957 through 2007. Harris Connect will also establish an Electronic Data Base which will serve as a central posting site for class reunion announcements and alumni information. Announcements will be sent by either a mass email or mailing.

Mr. Michael Larson, Assistant Principal, Athletics and Activities, AHS has asked for the help of the AHS 60's Reunion Committee 2008. With the aid of the committee, the school will be able to locate a large percentage of graduates from the Classes of 1957 – 1969.

To add your information to this database, please provide your name and mailing information on the reservation form—even if you will not be able to attend the reunion. **If you do not want your name and mailing information provided to the school, please initial this option on the return reservation form.** If you have not initialed the return reservation form, your information will be forwarded to the AHS Aztec Alumni Association. Your current contact information will also be forwarded to your class representative. To update your personal information or email address at any time, please contact your class representative.
